T-NARSIPUR.

Hosakoteagrahara.—This Inam village is situated about a mile from the road. There are about 30 houses with 100 people all of whom were rendered houseless and destitute, as the whole village was completely submerged. The villagers represented that no difference should be made in distributing money relief and Takavi loans between the raiyats of Inam and Government villages. The Dewan advised the Jodidar who was present to help the raiyats as much as possible and promised that as regards Takavi loans, no such difference would be made. *The Deputy Commissioner is requested to select a new site for the village in a suitable locality and give all facilities to these raiyats to build new houses.*

Javaroyanahundi.—The people of this village are all Holayas. About 30 houses have collapsed. The Sub-Division Officer and Amildar have visited the place. The people have temporarily built a few sheds from the materials of their old houses in a dry field higher up in the village which is said to be a "Chakra Inam." The people are very poor and possess no wet lands. The old site which they have now left, measures 5 acres and 8 guntas and can be converted into valuable wet land. About 20 of the most destitute among the 46 people are receiving gratuitous relief at the rate of half a seer of ragi and 6 pies in cash from the Chairman of the Gargeswari Village Panchayet.

The people represented that they may be permitted to own their old village sites, which they could convert into wet lands. *The Deputy Commissioner is requested to investigate the question. All things considered, it would be desirable to allow them this concession, strictly prohibiting at the same time the building of houses on this land.*

Gargeswari Holageri.—This is a part of the Gargeswari Village Panchayet. The Dewan inspected the site of the old village and remarked that the land should not have been given for house building, as it is situated in the midst of and on a level with wet lands. People from here have also removed to the same "Chakra Inam" lands. On the 25th, the rivers Kabbini on the one side of the village and Cauvery on the other were simultaneously in floods destroying the Holageri on one side and the Mohammedan quarters on the other. These are the two communities who have suffered most heavily in the village. The population of the Village Panchayet is 1,800 with 145 houses, of which more than one half have been destroyed. *The Deputy Commissioner is requested to establish a Depot for building materials in Gargeswari with the least possible delay for giving facilities to the people to build new houses. At the same time the area affected by the floods should be prohibited from disposal as house-sites in future.*

In selecting the new site, a proper scheme of laying out an extension in conformity with the wishes and the needs of the people according to their community should be followed, so that there should be no unwillingness on their part to shift their houses. A proper system of exchanges should also be worked out if possible.

Gratuitous relief to the extent of Rs. 500 has been so far distributed in this village. The Chairman of the Village Panchayet has done good work for relieving distress.

The people represented that an extent of 1,500 acres had been submerged. *The Deputy Commissioner is requested to make a sufficient allotment out of the special Takavi grant at his disposal for helping the suffering poor.*

Tirumakudlu.—This village is situated at the confluence of the Kabbini and the Cauvery. There are 82 houses and all of them have completely collapsed, from submersion under 8 to 10 feet of water on the 24th and 25th of July. The banks of both the rivers on either side of the village have been very badly cut up and the telegraph line crossing the river to Narsipur completely washed away. This line was newly constructed in 1923 after many representations and the *Revenue Secretary is requested to address the Director of Telegraphs to have it restored very early.*

The population of this place consists mainly of Brahmins and Vokkaligas. Most of the Brahmin families are associated with the old historic temple of Agasteswara, the inner shrine of which is said to have been completely submerged.

The temple is the only building which has withstood the effects of the floods. The Brahmins represented that most of them are in the temple service and as their livelihood depended on their proximity to the temple, it would be very difficult for them to remove their houses to the other side of either of the two rivers. *The only solution seems to be to prohibit the construction of new dwelling houses in the flooded area and put up a big chattram with living rooms set apart for the temple servants to occupy during the busy season.*

The Vokkaligas are quite willing to shift their houses to a safer height. Most of the people who have suffered from the floods have removed to the villages of Hosatirumakudlu and Narsipura and are living with their friends and relations. Fortunately there was no loss of life although many people were obliged to climb on the temple terraces before help could be given. The local people including the Besthers who work the six ferries across the river co-operated whole-heartedly with the Sub-Division Officer and other local officials showed commendable zeal and resourcefulness in rescue work on the 25th in the village. *The Sub-Division Officer is requested to send the names of all those whose services deserve reward, including officials.*

Temple.—This is a Muzrai institution with an endowment of about 80 acres of inam land. The scale of expenditure per month is Rs. 200. About Rs. 4,000 which was the balance of the relief fund collected in 1911 was spent very recently in strengthening the approach to the Cauvery river side and the work has withstood successfully the havoc of the floods.

Ferry.—There are six ferries working between Tirumakudlu and the opposite banks of the two rivers. The proceeds of the ferries go to certain families of the Besther caste as an inam for past services and for carrying free of cost, the Government post, and rendering certain other services. These people are said to have done yeomen service during the recent floods.

The proposal to connect Tirumakudlu with Narsipur by means of a bridge has been sanctioned, but deferred for want of funds.

Narsipura:—This is a Municipality with a population of 2,390. About 180 houses have been completely destroyed and the Taluk Office was under 8 feet of water. The Treasury had to be removed to the chattram higher up in the town where it is still kept. The balance on the date of inspection was about Rs. 4,000 *and the Amildar should see that no heavy balances are kept in the Treasury while it is located in the chattram.* Proper arrangements have been made for guarding the Treasury.

The Municipal roads as well as the District Board road which runs through the town have been very badly scoured. The Dewan instructed the Municipal Vice-President to take advantage of the rains to thoroughly repair the Municipal roads *and promised that Government would consider favourably the question of financial help for this purpose. The Deputy Commissioner is requested to submit suitable proposals after due consideration, to Government, as early as possible.* The Executive Engineer has not given any special funds out of the grant of Rs. 5,000 for repairing the portion of the District Board road damaged by floods. *The Deputy Commissioner is requested to immediately sanction sufficient funds for repairing it.*

The Dewan then received petitions and made enquiries from the sufferers about their requirements. A Relief Committee has been formed with the Vice-President as Chairman and cash payments have been made to the destitute at the rate of ½ a seer of ragi and 6 pies per head per day. More than Rs. 500 have already been spent. A band of volunteers has been formed for distributing grain and gratuitous relief in the villages of the taluk.

Rice is selling at 4 seers per rupee and ragi has gone up from Rs. 9½ to Rs. 12 per palla. *The Amildar should watch the prices of food-grains in the affected localities and take timely steps for the prevention of profiteering.*

The question of shifting a large population from their old houses to fresh extensions is fraught with many difficulties and should be carefully handled. The new extension should have a proper lay out, taking into consideration questions of caste and local prejudices, facilities for water, drainage, distance from public places and a number of other matters. The proposals should be sent up with a sketch plan through the Deputy Commissioner after a thorough enquiry and consultation

with the people concerned and should not be based on mere theoretical ideas. They should aim at carrying the majority of the people with them so that the new extension may be an accomplished fact with their willing co-operation in a very short time. *The Sub-Division Officer is requested to take early action in the matter.*

It is also necessary to immediately start a Depot for building materials in this place where the distressed may get their requirements with the least possible delay on some definite scale. The Dewan is not in favour of elaborate committees and scales of relief, but would be glad if the local officers take executive action in a rough and ready manner to afford relief on the merits of each case with the least possible delay till a proper organisation is set up.

Channels in the Taluk.—Three channels in the taluk, *viz.*, Rajaparameswari, Ramaswami and Hulhalli Channels, have suffered some damage *which the Executive Engineer is requested to repair immediately.* An attempt should be made to give the raiyats water as early as possible for re-cultivating their submerged lands and the period of supply may be extended if necessary. *An immediate report should be made to Government through the Chief Engineer for orders.*

Submersion of Lands.—It was represented that an area of nearly 1,500 acres had been damaged during the floods. *The Sub-Division Officer is requested to make a special inspection of the fields as early as possible for granting Takavi loans on a liberal scale for their improvement. He will also submit through the Deputy Commissioner a statement of remissions and suspensions that will have to be granted according to the rules.*

General.—The people of the place represented to the Dewan that the bed of both the rivers Cauvery and Kapila had risen considerably by the continuous accumulation of sand ever since the scouring sluices of the Madhavamantri Anicut near Hemmige had been closed. *The Chief Engineer is requested to investigate the question and submit a special report to Government very early.*

meritorious services rendered by the Amildars of Hannali & Shikarpur Taluks during the floods deserving recognition by Govt.

Flag V.

A consolidated statement* containing the names of all persons who are reported to have rendered service during the floods of 1924 in the four distts is putup.

This statement is split up into 3 statements as follows:—

1 Statement-I shows the names of individuals who are reported to have done rescue work or taken active part in saving life & property when the floods were at the highest level.

2. Statement II contains the names of persons who helped the affected people by placing carts at their disposal and by giving them food & provisions.

3 Statement III gives the names of gentlemen who have helped in raising subscriptions for Flood Relief and the names of Govt Officers & Subordinates whose nature of service has not been specified.

Kind refee is invited to flag P, wherein the D.C. Shikarpur speaks

21.3.25

(Mr. Grey)

This file relates to the question that should be given for the persons who rendered the maximum help and the Officials who helped during the beginning of this the heavy floods last year. Some recognition was given last year also.

The proposals made are various kinds of help rendered during and it is difficult to suggest specific recommendations for the recommendations under these heads

1) those that relate to rescue & life saving work

2) those that relate to recognition of work done in the way of feeding the people in distress

Serial No.

3) Then there ought to be some who helped in collecting subscriptions

If does not seem to be necessary to give any specific requisition in respect of clause 2 & 3 in regard to clause 2, the charity given is not of an extraordinary nature, & as regards clause 3, it is not necessary to give any medals or certificates.

The issue of medals may be restricted to cases falling under class I. Perhaps six medals of the value of 2s- as may be given in each district - 2 for officials & 4 for non officials.

If these suggestions are approved the R.C will be requested to pick out names of the present list.

File No. C 29 of 19 12

Serial No

I believe Mr Valentine has been awarded a Kaisar-i-Hind Medal - on his ~~first~~ instance by our Govt - for his ~~services~~ rescue work done by him in connection with the Shanghai floods. If so. I don't think it necessary to award another medal to him ~~now~~ again on behalf of Govt.; and I would suggest that the medal proposed for him may be given instead to one of the two men (Mr Gervais Davis & Mr Chatterton).

It seems to me that no 11 & 12 may be shown ~~as~~ recognition of their services by the grant of certificates, 2 and persons nos 29 & 54 (Shanghai town) being omitted, if necessary, for the purpose

Sd
21/7/25

I think the Council's opinion was that the selection may be left to the discretion of the Durbar.

My personal opinion after further consideration is that only medals need be given & that when that Kaisar-i-Hind limit has been reached for Service & other limit To recognize all services rendered on an occasion like this is liable to lead to discontent & the selfrespect of those that deserved. I do however agree to whatever selection is finally made by Durbar.

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

As per directed personally by the Revenue Secretary, a statement showing the modifications proposed by the First Members Council in the names of persons to be awarded medals & certificates is putup. Govinda das is proposed to be given a medal in place of Mrs Valentine who is proposed said to have been given Recommending medals.

Two new names are suggested for being given Certificates and it is proposed to omit two other names proposed by the Revenue Secretary & by the Dewan. It is for consideration whether the modifications proposed can be accepted & the necessary certificate be given as against 6 & 12 of the Council Resolution dated 30.4.23.

Flag I

Flag L (consolidated list)

Should routine notes be written on small slips of paper, the notes must be pasted, or slips pasted on this form.

Submitted to His [redacted]

In connection with the [redacted] service of gentlemen who saved lives and [redacted]erty by plucky and courageous conduct were recognised by the grant of public service medals and ordinary medals worth Rs.30/- each.

(Vide G.O.No.1928-38/C.B.130-23-8 dated 10th December 1923.

During my visit in August 1924 to the portions of T.Narsipur Taluk affected by the floods, it was brought to my notice that several people, including officials, showed commendable zeal and resourcefulness in rescue work in the Tirumakudlu village. I thereupon called for lists of names of all those whose services deserve reward in connection with the high floods of 1924, including officials.

The Revenue Commissioner has submitted the lists of persons received from the Deputy Commissioners of Kadur Hassan, Mysore and Shimoga Districts. The question of recognising the services of these persons was considered in Council on the 30th April 1925, when the following resolution was recorded:--

Page 9 of office Notes

> "Six medals and a dozen certificates of appreciation may be granted to non-officials selected from the lists for their services.
>
> For the officials an order of Government, appreciating their services may be issued and communicated to them."

The lists of names of persons selected were further examined by me and circulated to Members of Council and the matter was finally considered [redacted] at the meeting held on 12th September 1925 and it was finally decided that 5 medals and 14 certificates may be given to the following persons:-

Serial No 4

From

The Rev. Comr - D.O.No. D 1/24-25 & 14.10.25-

Requests to be informed whether Govt will supply the medals to the five gentlemen who rendered valuable services in connection with the floods of 1924 or whether the Deputy Comrs themselves have to make arrangements for their supply and whether the certificates to be issued to the 14 gentlemen have to be signed by the Deputy Comrs.

In 1923, the Rev. Comr was requested to arrange for the presentation of medals by the Deputy Comrs, placing the necessary funds at their disposal from the special allotment sanctioned for relief to sufferers from the floods. (Vide G.O.No 1928-38/ C.B. 130-23-8 & 10.12.23).

Orders are also necessary as to whether the certificates may be signed by the Deputy Comrs

NOTE—Contn. Sheet

of Kuruvalli. to Savage Matt. He did much last year too to save and life property.

6. 6.	(M) Mr. Koneripuram, Ramachar of Mahishi.	Mahishi was encircled by water 8 to 10 feet deep more than a furlong broad. Water had reached the thresh-holds of the houses and walls have collapsed. To the islanded houses of the Agrahar the gentleman came in his boat single-handed and transported men, and women and children and some cattle, to the dry ground on the side, and thus saved them all.	A medal.
7.	(C) Mr. Biste Gowda Patel, Tudur	A part of the road in this village was under water for nearly 12 days. This Patel greatly helped the transport of the post across the bit of road and in removing the people water bound at Tudurkatte to places higher up.	— Do —
8.	(C) Mr. Kareem Sab, Patel, Handi-gadde.	Practically the whole of this village was wiped out by floods. This gentleman is a ferry contractor. His house in the Agrahar was the 1st to suffer. Regardless of this he transported a villageful of men and women and children across the second sheet of water one furlong in width. He saved the life of one man in danger when the dug out in which he was going capsized. He got a medal last year. His work this time has been nobler.	A medal & a cash present of Rs 20/-
9.	(C) Mr. Seshagiriappa of Kuruvalli.	Did plucky work between the 14th and 18th of July in connection with the removal of men and goods from Subbarayan Agrahar.	A medal & cash present of Rs 10/-
	Mr. Hiregonigere Dewan Sab.	All these are boatmen who did good work in transporting people from flooded area to safer places. They may be given the medals and also cash grants noted against each.	Rs 25
	Mr. Jamal Sab,		Rs 25
	Mr. Chilur Rama.		Rs 20
	,, Hussein Sab,		Rs 20
	,, Govinkovi Sidda		Rs 20
	,, Hussein Sab.		Rs 15
			Rs 25
	Mr. C.R. Valentine	Loaned a boat and took great interest in rescuing operation.	Got a donation of Rs 150/- from V

Statement no I

i.e. did rescue work by saving life & property

Statement showing the names of persons who rendered valuable services in connection with the floods during 1924.

Sl. No.	Name of District.	Name of Taluk.	Name of person.	Nature of service rendered.	Recommendations of the Deputy Commissioner of the District as regards recognition of service.
1.	Kadur.	Tarikere.	Mr. T.T. Ramachandra Rao, B.A., Amildar.	The Amildar Mr. T.T. Ramachandra Rao deserves commendation for the excellent work done by him to save life in the affected villages in his taluk. In this connection, the Second Member of Council, in his tour notes observed as follows: Bestharekere and Upparkere by the riverside have suffered badly, nearly two dozen houses having come down and some others damaged. But there was no loss of other property as the Amildar has removed them from the houses almost against their wish previous week when the river had risen dangerously high, and posted Policemen to prevent their getting it again. This measure though resented by them at the time was subsequently acknowledged by them as having saved them and their properties from destruction.	
2.	,,	Narasimharaja-pura Taluk.	Mr. Abdul Razaack Saib, Patel, Muthinakuppa.	saved 4 lives in Halajur village	A Gold medal may be awarded.
3.	,,	,,	Husein Khan,	These two people helped Abdul Razaak.	A Flood medal & 25 maybe given

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue *Department.*

SIR

Referring to your letter No. R.2920/L.R. dated 10th November 1924, calling for the names of persons whose services in connection with floods deserve reward, I have the honour to forward herewith a consolidated statement embodying the information received from the Deputy Commissioners of Kadur and Hassan Districts. The Deputy Commissioner, Chitaldrug District has replied that there are none in his district, whose services in connection with floods deserve reward.

The information regarding the remaining Districts of Mysore and Shimoga, will be furnished on receipt of replies from the Deputy Commissioners, who have been reminded in the matter.

I have the honour to be
Sir,
Your Most Obedient Servant,

K Chandy

Revenue Commissioner.

KADUR DISTRICT.

Statement showing the names of persons, who rendered valuable services in connection with Floods:--

Sl.No.	Taluk	Name of persons	Nature of service rendered	Remarks
1.	Tarikere	Mr.T.T.Ramachandra Rao Amildar B.A. Tarikere	The Amildar Mr.T.T.Ramachandra Rao deserves commendation for the - - excellent work done by him to save life and property in the affected villages in his Taluk-In this - - connection the Second Member of Council, in his tour notes observed as follows:-- Besthare kere and Upparkere by the river-side have suffered badly, nearly two dozen houses, having come down and some other damaged. But there was no loss of otherproperty as the Amildar had removed the men from the houses almost against their wish the previous week when the river had risen dangerously high, and posted police-men to prevent their getting into it again. This measure though resented by them at the time, was subsequently acknowledged by them as having saved them and their properties from destruction.	
2.	-do-	Mr.Krishnappa Patel,Lakkavalli	Has behaved very intelligently and tactfully in meeting the difficult situation.	
3.	-do-	Mr.H.Hanuma Boyi Contractor,Lakkavalli	Generously offered and supplied his carts and labour to shift persons and property from the affected locality in Lakkavalli

C.C.10/24-25

Office of the Deputy Commissioner,
Shimoga District.

Dated Shimoga 16th December 1924

Dear Sir,

With reference to your letter No: D.1. of 24-25 dated 10th December 1924, calling for a list showing the names of official and non-official gentlemen who rendered meritorious service during the recent floods in the District, I beg to forward herewith a list containing the names and the nature of reward to be awarded as recommended by the Sub Division Officer, Thirthahalli for the moffusil places in his Sub Division.

As regards the Shimoga Town I am sending a copy of letter received from Mr. U. Subba Rao Naik, the Vice President of the Town Municipality and I also invite kind reference to my D.O. letter No: C.C.10/24-25 dated the 10th September addressed to the Chief Secretary - copy whereof is herein enclosed for kind perusal.

In addition to the names mentioned in the list furnished by Mr. U. Subba Rao Naik, referred to above, I beg to give below the names of gentlemen who also took active part in the rescuing operations during the time of floods:

1. Mr.S.Sitaramiah, B.A., Assistant Commissioner.
2. Mr. D.G. Ramachendra Rao, Assistant Director of Agriculture.
3. " Gururaja Rao, Agricultural Inspector.
4. " D. Guru Rao, Teacher Normal School, Shimoga.
5. " B.N.Raghuvayya, B.A.,LL.B., Advocate.
6. " P. Venkappaiah, Shimoga.
7. " Syed Mahomed,Retired Barr Commandant Shimoga.
8. " C.Subba Rao,B.A.,B.L., Advocate.

In conclusion, I may be permitted to add that the Vic President would have done better to have omitted my name from the list as I did nothing more than what any other person occupying the responsible post of a head of the District would do under such circumstances. I leave to the discretion of the Government to decide the form in which the services rendered

9. Mr. R.S. Steele, Executive Engineer, Shimoga.
10. " S. Sitaramiah, Advocate, Shimoga.

rendered by the residents of Shimoga Town both official and non-official may be recognised.

Yours sincerely,

A. Narasimmurti

Deputy Commissioner.

Confidential & Urgent D.O.C.C.10/24-25 dated 12th September 24 from the Deputy Commissioner, Shimoga District to the Chief Secretary to the Government of H.H. the Maharaja of Mysore.

:::::::::

With reference to your D.O. letter No: 491/C.B. dated the 25th August 1924 informing the substance of the report of the Post Master General of Madras re: the services rendered by Mr. C. R. Valentine during the recent floods in Shimoga and calling for a report from me as to the services rendered by this gentleman and some of the non-official members of the town, I beg to enclose herein a copy of the letter received from Mr. Valentine describing in detail the services rendered by him from the 17th to the 25th July 1924 inclusive, which speaks for itself and I endorse every word of the letter.

In this connection, I beg to refer to my report sent on the 26th July 1924 in which, the fact of taking the loan of the boat from Mr. Valentine has been mentioned. The Manganese yard is situated beyond the tunnel which was damaged and Mr. Valentine had to move up and down in the boat until the connection was restored. On the representation of the Post Master, the mail was carried in the basket (ferry), on the 25th, in charge of the Superintendent of Police and another Police Officer. Mr. Valentine had been instrumental in getting the munificient donation of £ 1500/- from the Workington Iron & Steel Co.,Ltd., of which he is the General Superintendent, for affording relief to the sufferers. Out of this amount, a sum of £ 500/- has been contributed to the Central Flood Relief Fund respectively. Rs. 500/- to the District Relief Fund and Rs. 500/- to the Town Relief Fund He has also paid a subscription of his own when the first meeting was convened for raising subscriptions. He has been taking immense interest in the measures that are adopted in the work of reconstruction. He has arranged to carry the building materials for distribution to the sufferers in the Manganese train from the State Forests free of cost.

Mr. Valentine makes mention of one Michael his subordinate did yeoman service in the rescuing operations.

I also learnt that Mr. H. F. Strickland had engaged some bullock carts to be placed at the disposal of the sufferers for carrying their luggage and things to their new homes.

As regards the other non-officials, I must say that a number of persons too numerous to mention here, took part in the rescuing work. Mr. Manjappa, the Proprietor of T.S.Motor Service and Mr. U. Krishna Naik the Vice President and the Proprietor of Shimoga Motor Service had placed all their motor cars at the disposal of the rescuing people for taking the refugees after their landing to convenient places of safety. It will be very delicate to make any invidious distinction in selecting men for recognition for their services. In this connection I beg to invite kind reference to the Chronology in this matter, published in the issues of the Daily Post, the cuttings of which are enclosed herein for ready reference.

"""""""""""""""""""

'Copy'

Deputy Commissioner.

Shimoga,
3rd September 1924.

Dear Mr. Taj Peeran,

Many thanks for your note. We must do what we can in these days of trial.

Regarding doings during the floods:--
It so happened that on the 17th (the first flood) I suddenly realised that my duck boat, a canvas construction capable of holding six people was lying in the shed and on the afternoon of the 17th I decided that it would be useful in getting across the wide and strong stretch of water between our yard and the Station (Mysore Railways) my men had to be got across to their homes, but when we came to launch it into the water not a man liked to face it and so give them confidence I set out and steered the boat myself for about 100 yards to the Station it was fairly tough work as the current in places was strong. I ultimately selected one man Michael who worked the boat with me - We got the mails across that night both ways - The 18th was worse we got mails over and back all day on the 19th the first flood subsided. The mess was cleared up and we commenced to run trains on the 20th - the 21st and 22nd and 23rd when we were flooded again on the 24th we got the mails over and then came the awful 25th when just after we had got out the station Post Master and after we had had a really traffic time getting across to the depot you came along and said there were hundreds of people waiting to be rescued in the Dod Brahmin Street and surrounding areas you remember I had the boat shouldered and taken to Big Brahmin Street and commenced to work with Michael and one other man to bring them out of the dangerous zone and as you know it was no easy task across that torrent and with houses falling around one during aspell Michael and the men worked the boat while I came round to see what could be done higher up and I saw you there after that I went back and gave the cooly another spell and it was the first trip this time when we were nearly caught

ing out two Brahmin ladies from the Geegehatti and a house and nearly got us there and finally Michael and I took a last round but apparently there was no one else to bring though rced up and down many streets. I have heard several figures as to being the number the boat brought across it was about 10.30 when the boat went into action and it was 4 P.M., when it d bringing people. Some runs were short and some were 1000 over but I think over 300 people were brought - some said 600 ow it did its job. Michael my man rendered excellent service worked like a horse and it was a God send that the boat was in as it could be moved very quickly also I think we only d taking the mails once and that was on the 25th instant when on rescue work.

I hope this is what you want.

Yours sincerely,

Sd/ C. R. VALENTINE.

D.O.No. R. 1/24-25

Bangalore, 13th October 1925.

14 CB 63-25-4.

Dear Sir,

Referring to Government Order No.832-36/C.B.63-25 dated 28th September 1925 passing orders on the meritorious services rendered by certain persons in connection with the floods in certain portions of the State during the year 1924 and requesting me to arrange for the presentation of the Medals and Certificates by the Deputy Commissioners concerned at an early date, I shall feel much obliged if you will kindly intimate to me whether Government will supply the Medals to the five gentlemen who did valuable service in saving the lives of people during the floods or whether the Deputy Commissioners themselves will have to make arrangements for their supply. As regards the certificates to be issued to 14 gentlemen who rendered help by providing shelter and relief to the distressed people, I request you to be good enough to write to me whether the certificates have to be signed by the Deputy Commissioners.

Yours sincerely,

S Balasundaram

P.G.D'Souza, Esq., B.A.,B.L.,

Chief Secretary to Government.
